PHOTOSHOOTS
COMING
SOON

Hello Athletes and Parents,

EXPOSE PHOTOGRAPHY is excited to be taking EXTRAORDINARY team and individual photographs of your EXTRAORDINARY athletes again this year!

DETAILS:

Your Association is providing every athlete with ONE team photo and ONE 5x7 CLOSE-UP photo. Please note that the pose used for both the team and individual photo are the same standard pose and expression which will be directed by the photographer.

Athletes choose both expression and pose when purchasing any package. Package options and sample photos have been attached below for your review.

In the interest of keeping the price point down, all ordering and sales are done at the time of the photoshoot. If you would like to approve your child's pose and expression, we are happy to share the preview of the image from our camera's LCD screen at the time of the photoshoot. We are REALLY GOOD at what we do, and parents and athletes consistently rave about our work and our ability to achieve natural looking smiles and expressions.

WHEN:

Please note your scheduled photoshoot date and time. Athletes will not be accommodated outside of their scheduled time, unless you contact me to reserve a \$10 accommodation appointment.

WHERE:

Photoshoot will take place at Memorial Rink in a room off of the main foyer. We would appreciate it if you could help us to keep this space quiet while we are taking photos.

DELIVERY:

Photos will be delivered back to you BEFORE CHRISTMAS and will be distributed to your Association's photo Co-ordinator who will then distribute to your coach. If you order digital files, they will be included in your photo package on a thumbdrive.

WHAT TO BRING:

All athletes and coaches are kindly asked to neatly fill out the top information section of our order form. (This is our primary organization tool.) We will have extra order forms at our information desk. Athletes should arrive fully dressed in their uniforms with skates tied up, gloves on, and hockey stick in hand. If you are including other equipment in your photo, please have that ready too. If you are ordering photos, we accept both cash or debit. If paying by debit, a small processing fee of \$1 will be applied.

FURTHER QUESTIONS:

Please direct questions to: jpgoodfellow@outlook.com

We can also be reached via text or phone call at: 306 741-4875 (M-F 10am-4pm)

Thank you, in advance, for supporting my local photography business – I love creating extraordinary portraiture for extraordinary athletes!

Thank you,
