

Hello Athletes and Parents,

EXPOSE PHOTOGRAPHY is excited to be taking EXTRAORDINARY team and individual photographs of your EXTRAORDINARY athletes again this year!

**DETAILS:**

PMHA is providing every athlete with ONE 6x8 team photo (please note the new format and size) and ONE 5x7 CLOSE-UP photo. Please note that the pose used for both the team and individual photo are the same standard pose and expression.

Purchasing additional options is also available, and athletes will have expression and pose choice. Package options and sample photos have been attached below for your review.

In the interest of keeping the price point down, all ordering and sales are done at the time of the photoshoot. If you would like to approve your child's pose and expression, we are happy to share the preview of the image from our camera's LCD screen at the

time of the photoshoot. We are REALLY GOOD at what we do, and parents and athletes consistently rave about our work and our ability to achieve natural looking smiles and expressions.

#### WHEN:

PMHA will be assigning a one hour time slot for each team during the timeframe of 4:30pm - 8:30pm Sunday October 27th to Friday November 8th, 2024. PMHA is still working on team formations, and the photoshoot schedule will be distributed as soon as all teams and schedules are finalized. As per direction from PMHA, please note that athletes will not be accommodated outside of their team photoshoot time.

#### WHERE:

Photoshoots will take place in the dryland practice area (front lobby area) of the Memorial Rink.

#### DELIVERY:

Photos will be delivered back to you BEFORE CHRISTMAS and will be distributed through your coach. If you order digitals, they will be included in your photo package on a thumbdrive.

#### WHAT TO BRING:

All athletes and coaches are kindly asked to neatly fill out the top information section of our order form. (This is our primary organization tool.) We will have extra order forms at our information desk. Athletes should arrive fully dressed in their uniforms with skates tied up, gloves on, and hockey stick in hand. If you are including other equipment in your photo, please have that ready too. If you are ordering photos, we accept both cash or debit. If paying by debit, a small processing fee of \$1 will be applied.
