Livestream company - members subscribe and can watch games in arenas that have a contract. OMAHA on board and will help facilitate. \$3000/yr per rink (\$2500 with OMAHA association)

Check if they cover internet cost

City would need to be involved possibly?

It is a pilot project- check in with other associations that trialed at the end of the season.

Lots of videos being sent to OMAHA for review - they will not overturn penalties unless to check if it is a match penalty.

Won't overturn a final score. Proper channel to submit is to division director then to Paul at PMHA whom will then decide if it goes to Dave at OMAHA.

Videos of goals/assists not recorded do not sent to Dave.

Video review cannot be submitted during the game.
